

# Dock Lighting

## Three Different Models!

Accmar Equipment's dock lights provide attractive 360°, low-glare lighting to illuminate your dock, boardwalk or walkways.

Our light casings are built with 5052-H32 marine grade aluminum & powder coated white inside an out to withstand the harshest weather & salt water conditions.

The structural integrity of the water-tight light casing won't distort or crack and is backed by our warranty.
